APPENDIX (B) ........................................................................................................ 14
Part 1 GENERAL PROVISIONS

Art. 01 Name and Site

The International Masters Games Association, hereinafter known as IMGA, is a non-governmental, not for profit international association established for an indefinite period with legal status as association in accordance with Art. 60ff of the Swiss Civil Code.

Art. 02 Objectives

The objectives of IMGA shall be:
- To strengthen and grow the Masters sports movement in partnership with its members, the international federations and other partners.
- To promote and encourage mature individuals, generally known as Masters, from all over the world to be active, with the awareness that competitive sport can continue throughout life.
- To promote friendship and understanding among mature sportspeople, regardless of age, gender, race, religion or sport status.
- To work with the IOC to explore possibilities to encourage International Sports Federations to focus on the development of masters’ sport.

Art. 03 Non-discrimination

The IMGA shall allow no political, racial, religious or gender discrimination.

Art. 04 Autonomy of Members

The IMGA shall not interfere with internal matters of its member federations.

Art. 05 Seat, Governing Law and Financial Responsibility

The IMGA has its legal seat in Lausanne, Switzerland, and all its relations are governed by Swiss law. Its members, officers and board members shall not have to contribute to its expenses and shall not be liable for its debts.

Art. 06 Emblem

The emblem of the IMGA shall be five symbolized individuals side by side and holding hands, coloured blue, yellow, black, green and red, all colours in accordance with the colours of the Olympic Rings.

Art. 07 Language

The official language of IMGA shall be English. Any other language may be used in correspondence or debate only if adequate translation is provided. In case of doubt the English language shall prevail.
Art. 08 Interpretation

If this constitution or any bye-laws, regulations or guidelines, issued by the IMGA or by a host city organising committee (HCOC), need interpretation, the IMGA Board shall have the sole power to interpret such rules.
Part 2 MEMBERSHIP

Art. 09 Members and Associates

The IMGA is an association of International Federations mentioned in Appendix (B). These sports are also referred to as "core-sports" and normally included in the programme of the Games.

Provided the criteria in Article 10 are met, the IMGA may recognise other International Federations as "Associates" (without voting rights).

The IMGA may recognise other sporting and non-sporting organisations (without voting rights).

Art. 10 Admission to membership

International federations applying for membership must meet the following criteria:

- Be recognised by the IOC or member of GAIFS
- Host own Masters events on a regular basis
- Have more than 500 athletes at own masters championships
- Have an established Masters Commission directly responsible to IF management

Application for membership shall be submitted to the IMGA secretariat at least two month before the next General Assembly, where it will be considered.

A sport which has been represented by more than 500 athletes at minimum three previous events under the authority of IMGA can be put directly forward to full membership. Otherwise a sport will remain an associate sport with no voting rights, until it has been represented by more than 500 athletes at three events organised under the authority of the IMGA, upon which they will be put forward as member candidates with full membership at the following General assembly.

Member sports have priority over associate sports on the sports program but the IMGA will seek to assure that associate sports are part of the sports program before non-associate and non-member sports.

Art. 11 Rights and Obligations of Members

All Members shall have equal rights at IMGA General Assemblies.

All Members are obliged to support IMGA in its efforts to achieve its objectives; to observe the Constitution, by-laws, regulations and guidelines in relation to IMGA activities; to undertake and observe and accept as binding the decisions of the competent authorities within IMGA and in this regards to recognise the Court of Arbitration for Sport in Lausanne, Switzerland, as the only external judicial authority to deal with any appeal or to resolve any litigation, to the exclusion of any court of law of any country, or any other arbitration body.

Art. 12 Resignation

A member federation wishing to withdraw from membership of the IMGA at the end of the current year shall give notice of resignation by registered post to the IMGA administration no later than the 30. September of that year. In no case can a member federation make demands on the assets of IMGA.

If a member sport is represented on the sports program of an upcoming IMGA event their membership will not cease until the end of the year when this event is held.
Art. 13 Expulsion

If a member federation does not continue to fulfil the current conditions laid down to become a member of IMGA and does not rectify the situation by a date fixed by the IMGA Board, or if there are other justifiable reasons, the IMGA Board may propose to the General Assembly to expel that federation. The General Assembly shall take its decision after having given the opportunity to the federation to present its case.

APPENDIX (A) General Rules governing IMGA Masters Games

A. Organisation
As a general rule, IMGA Masters Games take place every four years in one city and its surroundings. They can also be organised by more than one city, situated in one or more countries, provided these cities are in close proximity to each other.

Pursuant to Olympic Agenda 2020 Recommendation 6.2, the IMGA and the IOC shall study the possibility for the Olympic Games host cities to benefit from an option to organise the Masters Games in the years following the Olympic Games.

B. Choice of Host City
The host city (ies) for the next IMGA Masters Games shall be chosen by the IMGA Board preferable five years or more before the said IMGA Masters Games.

C. Sports
The sports program of IMGA Masters Games shall be in accordance with the IMGA guidelines for each event.

All sports are held subject to facilities being available.

All sports must be held in accordance with the rules and authority of the relevant international federation.

Each International federation, governing a sport being on the programme of the games, shall designate a technical delegate, who shall be responsible for the overseeing the competition within the limits, set by the IMGA Board.

The HCOC has the option of selecting additional sports to compliment the core program. Those sports should be selected on the basis of the facilities available and the strength of those sports at masters’ level in that country and internationally.

The optional sports must have the final approval by the IMGA Board.

D. Participation
It is the goal of the IMGA Masters Games to promote participation and to be inclusive of all, who want to compete. Because of the level of interest however, it may become necessary to limit participation by some measure. Such limitation shall be subject to the approval of the IMGA Board. In principle, the participation from the host nation should not exceed 60% of the total numbers.

E. Principle
At IMGA Masters Games, participation and friendship among participants are much more important than athletic performances, and this principle should be emphasised as much as possible.

H. Advertising and sponsorship

Major or naming rights sponsorship secured by the HCOC for a World Masters Games shall not be included in the title of the event unless approved by the IMGA Board.

I. No representation
The participants participate as individuals. They do not represent any country, region or city. There are no national anthems and no national flags (for example at victory ceremonies). Hence all IMGA events are open events and not limited to participation from the geographical region they are being held in.

J. Clothing
All participants compete in the clothes that are common for their particular sport.

K. Multiclub teams
Participants from different clubs and countries may unite to form multiclubs or multinational teams. More than one team from each country can compete in the same sport category.

L. Costs
Participants shall pay for their own transport and accommodation to compete in any IMGA Masters Games.

M. Fees
All participants shall pay a stipulated games registration fee. The amount of these fees shall be set by the HCOC and be subject to the approval of the IMGA Board.

N. Medals and certificates
Winners, second and third places of each competition shall receive the Master's medals in gold, silver and bronze. All participants shall receive a certificate of participation.

O. Conditions of participation
All participants shall meet the age qualification and abide by the competition rules laid down by their respective international sports federations, or, where appropriate, by the national sports federation of the host country, as well as by the IMGA and the IMGA Board.
