Quebec Winter World Masters Games 2015: a great success

The second edition of the Winter World Masters Games 2015 was held in Quebec City from January 31st to February 8th. With less than a year to prepare the event, the Organising Committee did an amazing job in hosting these Games, that the athletes will remember for a long time.

During 10 days, more than 1'500 athletes from all over the world took part in biathlon, curling, ice hockey, short and long track speed skating, marathon skating, alpine skiing, cross-country skiing and triathlon.

The location of the next edition of the Winter World Masters Games to be held in 2019 will be announced later this year.

From the snow to the sea, your next opportunity to compete at an IMGA event is the European Masters Games in Nice from 1-11 of October 2015. Looking forward to seeing you there!

Only two months left to signing up for the big adventure: The European Masters Games

Thousands of athletes from over 57 nations have already completed their registration. The European Masters Games Nice 2015 is waiting for you to join all the others and to take part in the largest international sporting event dedicated to senior athletes of 35 years and over.

With 27 sports, including 7 para-sports, the European Masters Games will be the jewel of a fantastic setting that is the capital of the French Riviera: Nice!

You too can be part of this great sports event and challenge other athletes coming from all over the world, in tournaments with the same rules and regulations in each discipline as the largest sporting events in the world (referees, timekeeping, scoring etc...).

The registration period will close on August 31st. If you wish to take part in this great human and sporting adventure, come and sign up now!
